We at Whizzkid encourage reading for all students, for all of its various benefits, some of them being inculcating empathy, improving communication skills, and expansion of vocabulary. Although we encourage students to read physical copies of books (their own or of the school's library), keeping in mind the limitations imposed by the pandemic, we are providing students with links to the e-book they are being assigned to read for the summer holidays.

1. Write a 3-5 page book report.
